01. Overview- Mission

TOSI - a digital currency solution with the slogan "For a greener - cleaner and more prosperous life", always makes optimal efforts to bring the most reliable products and services to users. TOSI wishes to cooperate with business partners, who are individuals, organizations and businesses who really understand the operating model, vision and core values of TOSI to participate in the development and widely dissemination TOSI to the users.

TOSI TSI is built on the basis of Binance Smart Chain (BEP-20), one of the optimal solutions of current blockchain technology, and the forms of most profitable investment cooperation, form of payment in Japanese organic supermarket and community ecotourism.

In this document, TOSI wishes to build the most complete and transparent business policy to create trust with each business partner. TOSI is committed to bringing value, sharing opportunities, business benefits and long-term, sustainable companionship with partners.

02. Organizational Structure of Sales Team

Based on the performance results, the seriousness in the investment of the partners, TOSI classifies the Business Partner Team into 06 different levels (Level). Each level will come with different conditions, requirements and benefits (described in detail in section 3). Include:

- Level 1: Beginner
- Level 2: Silver
- Level 3: Gold
- Level 4: Ruby
- Level 5: Diamond
- Level 6: Crown

03. Condition for maintaining level

To become a TOSI partner, at first business partners need to be users who have had enough practical experience with TOSI products, a clear understanding of TOSI's values, modality of working, vision and desires to cooperate with TOSI to build ecosystem and community using TOSI.

Below are the necessary criteria to be able to become a partner and maintain a partner throughout the process.

- Level 1: Own 500TOSI, your level is BEGINNER
- Level 2: Cumulative group sales reach \$5,000, your level is SILVER
- Level 3: Cumulative group sales reach \$25,000, your level is GOLD
 - ❖Condition: 2 branches SILVER
- Level 4: Cumulative group sales reach \$125,000, your level is RUBY
 - ❖Condition: 2 branches GOLD
- Level 5: Cumulative group sales reach \$625,000, your level is DIAMOND
 - ❖Condition: 1 RUBY branch and 1 GOLD branch
- Level 6: Cumulative group sales reach \$3,125,000, your level is CROWN
 - ❖Condition: 2 branches DIAMOND and 1 branch RUBY

04. Profit Sharing Policy

4.1 KYC Policy and reward

TOSI will reward partners when they have an account for a user successfully and guide that user to become a trusted customer of TOSI (KYC).

- When you have a 2nd level CROWN below CROWN 1, you will receive 0.5% of all CROWN 2 sales

05. Pay commission via TSI wallet

Each TOSI partner will provide a referral wallet and an Interest wallet to store the income from TOSI, which is convenient for management and business profit statistics.

Referral Wallet: TOSI will pay all commissions, deposit discount of members, KYC commission to this wallet. The TSI number will be automatically added to this wallet when the corresponding action occurs.

Interest wallet: is to store profits generated when members invest in investment packages. TSI number is allocated 0 o'clock daily to this wallet for members. If the wallet value reaches \$100, the user has the right to withdraw (through converting to ETH and withdrawing to an external system).

06. Handling violations

Included all violations of TOSI's policies, not limited to acts of intentional fraud to receive commissions, or fraudulent acts in the process of operating beyond the authority allowed by TOSI. Accounts having activities that take advantage of TOSI's reputation and image for the purpose of causing damage, disrupte the user community and discredite TOSI... will be temporarily blocked for investigation,refund the entire amount of fraudulent commissions(if any) to TOSI,be responsible to the law and receive the penalties decided by the TOSI partners.
